**VILLAGE OF CAROLINE
BY-LAW NO. 450**

BEING A BY-LAW TO REGULATE AND CONTROL THE USE AND
DEVELOPMENT OF LAND AND BUILDINGS IN THE VILLAGE OF CAROLINE

WHEREAS the Municipal Government Act, Chapter P-9, Revised Statutes of Alberta, 1980, and amendments thereto, authorized the Council of a Municipality to enact a Land Use By-law to prohibit or regulate and control the use and development of land and buildings within the Municipality.

NOW THEREFORE the Council of the Village of Caroline in the Province of Alberta, enacts as follows:

PART ONE: GENERAL

1.1 Short Title

This By-law may be cited as "The Village of Caroline Land Use By-law".

1.2 Purpose

The purpose of this By-law is to, amongst other things,

- (1) divide the municipality into Districts;
- (2) describe the purposes for which land and buildings may be used within each District;
- (3) establish the office of the Development Officer;
- (4) establish a method of making decisions on applications for development permits including the issuing of development permits;
- (5) provide the manner in which notice of the issuance of a development permit is to be given; and
- (6) implement the statutory plans of the Village of Caroline. *[By-law 508]*

1.3 Definitions

In this Land Use By-law,

1.7 Establishment of Districts

- (1) For the purpose of this Land Use By-law the Village of Caroline is divided into the following Districts:
 - (a) Low Density Residential (R-1)
 - (b) General Residential District (R-2)
 - (c) Manufactured Home District (R-3) *[Bylaw 21/05]*
 - (d) Very Low Density Residential District (R4) *[Bylaw 522]*
 - (e) Commercial District (C)
 - (f) Highway Commercial District (HC)
 - (g) Industrial District (I)
 - (h) Public/Institutional District (PI)
 - (i) Reserved for Future Development (RD)
- (2) The boundaries of the Districts listed in subsection (1) are as delineated on the Land Use District Map being Schedule A hereto. All roads, water courses and lakes are excluded from the Land Use Districts.
- (3) A boundary location which cannot be satisfactorily resolved, shall be referred to Council for an official interpretation.

1.8 Establishment of Forms

- (1) For the purpose of administering this Land Use By-law, the Development Officer shall prepare such forms and notices as he or she may deem necessary.
- (2) Any such forms or notices are deemed to have the full force and effect of this Land Use By-law in the execution of the purpose for which they were designed, authorized and issued.

1.9 Establishment of Supplementary Regulations

Supplementary Regulations as set forth in Schedule B hereto, are hereby adopted by reference to be part of this Land Use By-law, and to be amended in the same manner as any other part of this Land Use By-law.

1.10 Establishment of Land Use District Regulations

Land Use District Regulations as set forth in Schedule C hereto, are hereby adopted by reference to be part of this Land Use By-law, and to be amended in the same manner as any other part of this Land Use By-law.

1.11 Amendment of the Land Use By-law

- (1) The Council on its own initiative may give first reading to a By-law to amend this Land Use By-law.
- (2) A person may make application to the Development Officer for amendment to this Land Use By-law. The application shall include:
 - (a) a statement of the specific amendment requested;
 - (b) the purpose and reasons for the application;
 - (c) if the application is for a change of District, the legal description of the lands, or a plan showing the location and dimensions of the lands;
 - (d) a statement of the applicant's interest in the lands; and
 - (e) an application fee of \$100.00 of which \$50.00 will be refunded if the proposed amendment is not given first reading and advertised.
- (3) Upon receipt of an application for amendment to this Land Use By-law, the Development Officer shall determine when the application will be placed before the Council and shall issue not less than 10 days' notice to the applicant advising that he may appear before the Council at that time, and speak to the application. An application for amendment shall be placed before the Council within 60 days of its receipt by the Development Officer.
- (4) The Council, in considering an application for an amendment to this Land Use By-law, may at its sole discretion:
 - (a) refuse the application, or
 - (b) refer the application for further information; or
 - (c) pass first reading to a by-law to amend this Land Use By-law, with or without conditions or amendments; or
 - (d) defeat first reading of a by-law to amend this Land Use By-law; or
 - (e) pass first reading of an alternative amendment to this Land Use By-law, with or without conditions.

[By-law 508]

- (5) Following first reading of an amending by-law, the Council shall
- (a) establish the date, time and place for a public hearing on the proposed by-law;
 - (b) if a by-law to establish procedures for public hearings has not been passed
 - (i) outline the procedures to be followed by any person, group of persons or person representing them who wish to be heard at the public hearing, and
 - (ii) outline the procedure by which the public hearing will be conducted.
- [By-law 508]*
- (6) Following first reading of an amending by-law, the Development Officer must give notice of the public hearing by
- (a) publishing notice at least once a week for 2 consecutive weeks in at least one newspaper or other publication circulating in the area to which the proposed by-law relates, or
 - (b) mailing or delivering notice to every residence in the area to which the proposed by-law relates.
- [By-law 508]*
- (7) A notice of public hearing must be advertised at least 5 days before the public hearing occurs.
- [By-law 508]*
- (8) A notice must contain
- (a) a statement of the general purpose of the proposed by-law and public hearing,
 - (b) the address where a copy of the proposed by-law and any document relating to it or the public hearing may be inspected,
 - (c) the date, place and time where the public hearing will be held.
- [By-law 508]*
- (9) In the case of an amendment to change the district designation of a parcel of land, the Development Officer must, in addition to the requirements of subsection (6),
- (a) include in the notice
 - (i) the municipal address, if any, and the legal address of the parcel of land, and
 - (ii) a map showing the location of the parcel of land,
 - (b) give written notice containing the information described in clause (a) and subsection (6) to the assessed owner of that parcel of land at the name and address shown on the assessment roll of the municipality, and
 - (c) give written notice containing the information described in clause (a) and subsection (6) to each owner of adjacent land at the name and address shown for each owner on the assessment roll of the municipality.
- [By-law 508]*
- (10) If the land referred to in subsection (9)(c) is in the Municipal District of Clearwater, the written notice must be given to that municipality and to each owner of adjacent land at the name and address shown for each owner on the tax roll of the Municipal District of

- Clearwater. [By-law 508]
- (11) Notwithstanding subsection (5), the Land Use By-law may be amended without giving notice or holding a public hearing if the amendment corrects clerical, technical, grammatical or typographical errors and does not materially affect the Land Use By-law in principle or substance. [By-law 508]
- (12) In the public hearing, the Council
- (a) must hear any person, group of persons, or person representing them, who claims to be affected by the proposed by-law and who has complied with the procedures outlined by the Council, and
 - (b) may hear any other person who wishes to make representations and whom the Council agrees to hear.
- [By-law 508]
- (13) After considering the representations made to it about the proposed by-law at the public hearing and after considering any other matter it considers appropriate, the Council may:
- (a) pass the by-law,
 - (c) make any amendment to the by-law it considers necessary and proceed to pass it without advertisement or hearing, or
 - (d) defeat the by-law.
- [By-law 508]
- (14) Prior to third reading of the proposed by-law, the Council may require the applicant to apply for a development permit and negotiate a development agreement in respect of the proposal which initiated the application for amendment. [By-law 508]
- (15) The Development Officer shall not accept an application for an amendment which is identical or similar to an application which was refused by the Council, for a period of 3 months after the date of the refusal unless, in the opinion of the Development Officer, the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly. [By-law 508]
- (16) In this section,
- (a) “adjacent land” means land that is contiguous to the parcel of land that is being redesignated and includes:
 - (i) land that would contiguous if not for a highway, road, river or stream, and
 - (ii) any additional land identified by the Development Officer;
 - (b) “owner” means the person shown as the owner of land on the assessment roll prepared pursuant to the *Municipal Government Act*.
- [By-law 508]

1.12 Sections Found Invalid

If one or more provisions of this Land Use By-law are for any reason declared to be invalid, it is intended that all remaining provisions are to remain in full force and effect.

PART TWO - DEVELOPMENT PERMITS, CONTRAVENTION AND APPEAL

2.1 Control of Development

No development other than that specified in Section 2.2 shall be undertaken within the Municipality unless a development permit has been issued in respect to it.

2.2 Development Not Requiring a Development Permit

The following development shall not require a development permit:

- (a) the carrying out of works of improvement, maintenance or renovation to any building provided that such works do not include structural alterations or additions;
- (b) the completion of any development which has lawfully commenced before the passage of this Land Use By-law or any amendment thereof, provided that the development is completed in accordance with the terms of any permit granted in respect of it, and provided that it is completed within 12 months of the date of commencement;
- (c) the use of any such development as is referred to in subsection (b) for the purpose of which development was commenced;
- (d) the erection or construction of gates, fences, walls or other means of enclosure less than 1 m (3.28 ft.) in height in front yards and less than 2 m (6.56 ft.) in other yards, and the maintenance, improvement and other alterations of any gates, fences, or walls or other means of enclosure;
- (e) a temporary building, the sole purpose of which is incidental to the carrying out of a development for which a permit has been issued under this Land Use By-law;
- (f) a temporary use of a parcel for the sole purpose of mobile commercial sales (e.g. fish trucks, fruit trucks, etc.), providing a business license is obtained from the municipality and the location and length of operation of the business is to the satisfaction of the Development Officer; or M.P.C.;
- (g) the installation, maintenance and repair of utilities;

 - (v) the estimated commencement and completion dates;
 - (vi) the estimated cost of the project or contract price; and
 - (vii) such other plans and information as the Development Officer/Municipal Planning Commission may consider necessary to properly evaluate the proposed development.

- (b) The Development Officer/Municipal Planning Commission may refuse to accept an application for a development permit where the information required by subsection 2.3(1)(a) has not been supplied or where, in the opinion of the Development Officer/Municipal Planning Commission, the quality of the material supplied is inadequate to properly evaluate the application.

- (c) The Development Officer/Municipal Planning Commission may deal with an application and make a decision without all of the information required by subsection 2.3(1)(a), if it is the opinion of the Development Officer/Municipal Planning Commission that a decision on the application can be properly made without such information.
- (2) Each application for a development permit shall be accompanied by a non-returnable processing fee, the amount of which shall be determined from time to time by Council.
[By-law 508]
- (3) The Development Officer shall:
 - (a) receive all applications for a development permit; and
 - (a.1) refer all applications for development which would result in permanent overnight accommodation, including dwellings, or public facilities to the Alberta Energy and Utilities Board, if any of the land which is the subject of the application is within 1.5 km (0.93 miles) of a sour gas facility and the proposed development is not, in the opinion of the Development Officer, an infill development, and [By-law 508]
 - (b) consider and decide (subject to subsection 3(d) below) on applications for a development permit for those uses, listed in Schedule C, which constitute a permitted use in a District; and
 - (c) refer with his recommendations, to the Municipal Planning Commission for its consideration and decision applications for uses listed in Schedule C which constitute a discretionary use; and
 - (d) refer to the Municipal Planning Commission any application which in his/her opinion should be decided by the Municipal Planning Commission, and
 - (e) refer any application to the M.D. of Clearwater or any other agency or person which in his opinion may provide relevant comments or advice respecting the application.
- (4) For a permitted use in any District,
 - (a) the Development Officer/Municipal Planning Commission shall approve, with or without conditions, an application for a development permit where the proposed development conforms in every respect to this Land Use By-law,
 - or
 - (b) subject to the provisions of subsection (6), the Development Officer/Municipal Planning Commission shall refuse an application for a development permit if the proposed development does not conform in every respect to this Land Use By-law.
- (5) For a discretionary use in any District,
 - (a) the Municipal Planning Commission may approve an application for a development permit
 - (i) with or without conditions,
 - (ii) based on the merits of the proposed development including its relationship to any approved statutory plan or approved policy affecting the site,
 - (iii) where the proposed development conforms in every respect to this Land Use By-law; or

- (b) the Municipal Planning Commission may refuse an application for a development permit based on the merits of the proposed development, even though it meets the requirements of this Land Use By-law; or
 - (c) subject to the provisions of subsection (6), the Municipal Planning Commission shall refuse an application for a development permit if the proposed development does not conform in every respect to this Land Use By-law.
- (6) The Development Officer and Municipal Planning Commission, as the case may be, may approve
- (a) an application for a development permit, or
 - (b) conformity of a real property report, or
 - (c) an application for subdivision approval,
- notwithstanding that the proposed development or subdivision does not comply with the By-law or is a non-conforming building, if in the opinion of the Development Officer/Municipal Planning Commission the proposed development or subdivision
- (i) provides not less than 75% of any stated minimum standard and not more than 125% of any maximum standard; and *[Bylaw 33/07]*
 - (ii) in the opinion of the Development Officer/Municipal Planning Commission, would not:
 - (A) unduly interfere with the amenities of the neighbourhood, or *[By-law 508]*
 - (B) materially interfere with or affect the use, enjoyment or value of neighbouring parcels of land, and
 - (iii) conforms with the use prescribed for that land or building in this Land Use By-law *[By-law 508]*
- (7) The Development Officer/Municipal Planning Commission may require that, as a condition of issuing a development permit, the applicant enter into an agreement with the municipality to do all or any of the following:
- (a) to construct or pay for the construction of a road required to give access to the development, or
 - (b) to construct or pay for the construction of pedestrian walkway systems, or
 - (c) to install or pay for the installation of utilities that are necessary to serve the development, or
 - (d) to construct or pay for the construction of
 - (i) off street or other parking facilities, and
 - (ii) loading and unloading facilities, or
 - (e) to pay an off-site levy or redevelopment levy imposed by by-law. or

- (f) to give security to ensure that the terms of the agreement under this section are carried out, or [By-law 508]
- (g) to pay to the municipality the costs paid by the municipality to any Engineer or other person for materials testing, inspections, monitoring of construction and review of construction drawings, and planning and legal costs and expenses to which the municipality is put in connection with the Development Agreement and the Agreement relates. [By-law 508]
- (8) Prior to imposing any condition upon the issue of a development permit pursuant to subsection (7), the Development Officer/Municipal Planning Commission shall consult with the Council as may be required in the circumstances and shall specify the terms and content of the agreement in the condition in the development permit.
- (9) The municipality may register a caveat pursuant to the provisions of the Land Titles Act and the *Municipal Government Act* in respect of an agreement under this Section against the Certificate of Title for the land that is the subject of the development, which said caveat shall be discharged when the agreement has been complied with.
- (10) In the case where an application for a development permit has been refused pursuant to this Part or ultimately after appeal, the submission of another application for a permit on the same parcel and for the same or similar use of land by the same or any other applicant may not be accepted by the Development Officer for at least 6 months after the date of the final decision unless in the opinion of the Development Officer the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly. [By-law 508]

2.4 Development Permits and Notices

- (1) (a) A permit issued pursuant to this Part does not come into effect until 14 days after the date on which notice of issuance of the permit is given under subsection 3(b) or (c) or 21 days after the date on which notice of issuance of the permit is given, if such notice is given under subsection 3(a) by ordinary mail, whichever last occurs. Any development proceeded with by the applicant prior to the expiry of this period is done solely at the risk of the applicant.
- (b) The date of issue of any permit shall be the date of notification pursuant to subsection (3).
- (2) Where an appeal is made pursuant to Section 2.6 of this Part, a development permit which has been issued shall not come into effect until the appeal has been determined and the permit may be modified or nullified thereby.
- (3) On the same date a development permit is issued, the Development Officer shall publicize a notice of the issuance of the permit in any or all of the forms described as follows:
 - (a) mail a notice of the decision to all persons whose use, enjoyment or value of property may, in the opinion of the Development Officer/Municipal Planning Commission, be affected; and/or
 - (b) post a notice of the decision conspicuously on the property for which the application has been made; and/or
 - (c) publish in a newspaper circulating in the municipality a notice of the decision.

- (4) If the development authorized by a permit is not commenced within 12 months from the date of its issue, or the date of decision of the *Subdivision and Development Appeal Board* upon appeal, nor carried out with reasonable diligence as determined by the Development Officer/Municipal Planning Commission, the permit ceases to be effective, unless an extension to this period, being no longer than an additional 12 months, has previously been granted by the Development Officer/Municipal Planning Commission.
[By-law 508]
- (5) A decision of the Development Officer/Municipal Planning Commission on an application for a development permit shall be given in writing and a copy of it sent to the applicant.
- (6) The Development Officer/Municipal Planning Commission is authorized to issue orders under Section 645 of the *Municipal Government Act* and in such order establish a time for compliance with such order, acting reasonably.
[By-law 508]
- (7) If a decision is not rendered within 40 days of the receipt of an application, the applicant may,
- (a) deem that a refusal has been issued, or
 - (b) enter into an agreement with the Development Officer/Municipal Planning Commission to extend the 40 day period within which a decision is to be made on an application.

2.5 Cancellation

The Municipal Planning Commission may cancel a development permit if

- (a) the permit was issued in error, or
- (b) the permit was issued on the basis of incorrect information.

SUPPLEMENTARY REGULATIONS

1. Buildings

1(1) Accessory Buildings

(a) Residential Districts

- (i) No accessory building or any portion thereof shall be erected or placed within the front yard of a parcel.
- (ii) An accessory building on an interior parcel shall be situated so that the exterior wall is at least 1 m (3.28 ft.) from the side and rear boundaries of the parcel.
- (iii) An accessory building on a corner parcel shall not be situated closer to the street than the main building. It shall not be closer than 1 m (3.28 ft.) to the other side parcel boundary or the rear parcel boundary.
- (iv) An accessory building shall not be more than 4.5 m (14.76 ft.) in height, and shall not exceed the height of the main building.
- (v) Notwithstanding subsections (ii) and (iii) of this Section, an accessory building or any portion thereof may be erected or placed on the rear or side boundary common to two parcels provided the accessory building serves the two abutting parcels.
- (vi) An accessory building erected or placed on a parcel shall not be used as a dwelling.

(b) Other Districts

- (i) No accessory building or any portion thereof shall be erected or placed within the front yard of a parcel, unless otherwise approved by the Development Officer/Municipal Planning Commission.

1(2) Building Orientation and Design

The design, character and appearance of any building, or series of buildings, structure or sign proposed to be erected or located in any District must be acceptable to the Development Officer/Municipal Planning Commission having due regard to

- (i) amenities such as daylight, sunlight and privacy
- (ii) the character of existing development in the District, and
- (iii) its effect on adjacent parcels.

1(3) Number of Buildings on a Parcel

- (a) A development permit shall not be issued for more than one main building on a parcel, except where it is proposed to develop more than one main building to form a single, unified group of buildings.

SCHEDULE B

- (b) The number of dwelling units permitted on a parcel shall be limited to one, except where
 - (i) in the opinion of the Development Officer/Municipal Planning Commission, either
 - (a) the building is clearly designed to be divided into more than one dwelling, or
 - (b) the development of the parcel is clearly designed to include more than one dwelling, and
 - (ii) the use conforms to the uses prescribed in Schedule C for the District in which the parcel is located, and
 - (iii) subject to section 2.3(6), the development complies with the provisions of this Land Use By-law, and
 - (iv) a development permit is issued for the use. *[By-law 508]*

1(4) Relocation of Buildings

- (a) No person shall
 - (i) place on a parcel a building which has previously been erected or placed on a different parcel, or
 - (ii) alter the location on a parcel of a building which has already been constructed on that parcel unless a development permit has been issued by the Municipal Planning Commission.
- (b) In addition to the requirements of Section 2.3(1), PART TWO of this By-law, the Municipal Planning Commission may require that an application for a development permit to be accompanied with
 - (i) recent color photographs showing all sides of the building;
 - (ii) a statement on the age, size and structural condition of the building; and
 - (iii) a statement of proposed improvements to the building.
- (c) An application for a development permit may be approved by the Municipal Planning Commission if the proposal meets all of the regulations specified under the appropriate Land Use District in which it is proposed to be located.
- (d) Where a development permit has been granted for the relocation of a building either on the same parcel or from another parcel, the Municipal Planning Commission may require the applicant to provide a performance bond of such amount to ensure completion of any renovations set out as a condition of approval of a permit.
- (e) All structural and exterior renovations shall be completed within one year of the issuance of a development permit.

SCHEDULE B

1(5) Building Demolition

An application to demolish a building shall not be approved without a statement or plan which indicates

- (a) how the operation will be carried out so as to create a minimum of dust or other nuisance, and
- (b) the final reclamation of the parcel

which is satisfactory to the Municipal Planning Commission.

1(6) Manufactured Homes

[Bylaw 21/05]

As a discretionary use under the R1, R2, and R4 Districts, the external appearance of a manufactured home shall be acceptable to the Development Authority having regard to compatibility with other buildings in the vicinity and shall have:

- (iii) any projection that is an exterior fire escape not exceeding 1.2 m (3.94 ft.) in width.

(c) No portion of a building other than eaves, signs or canopies shall project into a public or private right-of-way.

2(2) Objects Prohibited or Restricted in Yards

(a) No person shall allow a motor vehicle which is in a dilapidated or unsightly condition, or a derelict vehicle to remain or be parked on a parcel in a Residential District, unless it is suitably housed or screened to the satisfaction of the Development Officer/Municipal Planning Commission.

(b) No person shall allow a holiday trailer, motor home, camper, or large boat to be stored in any yard abutting a street in a residential District, except in a rear yard on a corner parcel where it shall be stored no closer to the street than the main building.

(c) A holiday trailer, motor home or camper parked in a Residential District may be used for living and sleeping accommodation only by bona fide tourists for a maximum period of 30 days per annum.

(d) No person shall allow a vehicle of more than 2,730 kg. (6,018.6 lbs.) (GVW) and/or a length of 6.5 m (21.3 ft.) to be parked or stored in a residential District, except those vehicles described in subsection 2(2)(b) of this Schedule.

2(3) Satellite Dish Antennae

(a) A satellite dish antenna shall only be located in a rear yard, or a side yard which does not abut a street.

(b) On an interior parcel, a satellite dish antenna shall be situated so that no part of it is closer than 1 m (3.28 ft.) from the side or rear boundaries of the parcel.

(c) On a corner parcel, a satellite dish antenna shall be situated so that no part of it is closer to the street than the main building, or closer than 1 m (3.28 ft.) from the other side parcel boundary or the rear parcel boundary.

(d) Where any part of a satellite dish antenna is more than 4 m (13.12 ft.) above grade level, or when it is located other than described in subsection 2(3)(a) above, it shall be both screened and located to the satisfaction of the Development Officer/Municipal Planning Commission.

SCHEDULE B

- (e) Notwithstanding subsections (a) to (c) above, a satellite dish antenna may be located on the roof of a commercial building.
- (f) No advertising other than the manufacturer's name/logo shall be allowed on a satellite dish antenna.
- (g) The illumination of a satellite dish antenna is prohibited.
- (h) A satellite dish antenna is an accessory use which requires an approved development permit.

2(4) Zero Side Yard Developments

- (a) In the Central Commercial District, the minimum side yard is 0 metres in accordance with Schedule C.
- (b) In other Districts, the Municipal Planning Commission may allow one side yard of the main or accessory building to be 0 metres where
 - (i) the registered owner(s) of the adjoining parcel or parcels grant(s) a maintenance and eave and footing encroachment easement equivalent to two minimum yard requirements. The easements shall be to the satisfaction of the Municipal Planning Commission and shall be registered against the title of the said parcel; and
 - (ii) all roof drainage from any building shall be directed onto the parcel upon which such building is situated by means of eavestroughs and downspouts, or other suitable means.

2(5) Laneless Subdivisions

- (a) In a laneless subdivision in a residential District, one side yard shall not be less than:
 - (i) 1.5 m (4.92 ft.), in the case of a detached dwelling with attached garage, or
 - (ii) 3 m (9.84 ft.), in the case of a detached dwelling without attached garage.and both side yards shall not be less than:

Uses not listed above

The number of spaces shall be determined by the Municipal Planning Commission having regard to similar uses listed above and the estimated traffic generation and attraction of the proposed use.

- (b) When a building is enlarged or the use of a parcel or a building is changed or increased in intensity, the additional parking spaces to be provided shall be limited to the difference between the requirement of the original building or use and that of the enlarged building or changed or intensified use.
- (c) The parking space requirement on a parcel which has or is proposed to have more than one use shall be the sum of the requirements for each of those uses.
- (d) Any loading space provided pursuant to subsection 3(2) of this Schedule may be used as parking space.
- (e) Each parking space shall have dimensions of not less than 2.75 m (9.02 ft.) by 5.5 m (18.04 ft.).
- (f) A minimum standard of 24.75 m² (266.4 sq.ft.) per parking space shall be used for general calculations for the areas of parking facilities or the number of parking spaces in a parking facility.
- (g) In Commercial Districts, in lieu of providing parking spaces and subject to the approval of the Council, a payment may be made to the Council at a rate per space which the Council shall determine.
- (h) Parking spaces shall be located on the same parcel as the use for which they are being provided except that, subject to the approval of the Municipal Planning Commission, the spaces may be located on another parcel within 50 m (164.0 ft.) walking distance, provided that a restrictive covenant, ensuring the use of the parcel for the required number of parking spaces, is registered against the Certificate of Title of that parcel.
- (i) Hard surfacing of the parking area may be required, where a parking area enters a paved road, otherwise, the surfacing shall be all-weather.

3(2) Loading Spaces

- (a) Loading spaces shall be required for all nonresidential development and apartments.
- (b) Loading spaces shall be designed and located so that all vehicles using those spaces can be parked and manoeuvred entirely within the bounds of the parcel before moving onto a road.

SCHEDULE B

- (c) Loading spaces shall be located in rear and side yards only.
- (d) A loading space shall be at least 3.5 m x 8 m (11.48 ft. x 26.25 ft.), with an overhead clearance of at least 4.6 m (15.09 ft.).
- (e) Hard surfacing of the loading space shall be required, where a loading space enters a paved road, otherwise, the surfacing shall be all-weather.

3(3) Vehicle Access to buildings

- (a) Any building into which a vehicle may enter shall have a driveway on the parcel at least 6 m (19.69 ft.) in length, except where the driveway enters a lane, where it shall be either 1 m (3.28 ft.) or at least 6 m (19.69 ft.).

3(4) Sight Lines at Intersections of Roadways

- (a) At the intersection of lanes, a 3 m (9.84 ft.) sight triangle shall be provided (see diagram below).

- (b) At the intersection of other roadways, the Development Officer/Municipal Planning Commission may require the calculation of sight triangles where:
 - (i) one or more rights-of-way is less than 15 m (49.21 ft.), or
 - (ii) regulated vehicle speed exceeds 50 km/h, or
 - (iii) one of the carriageways is not centred in its right-of-way, or
 - (iv) an intersection leg is curved or skewed, or
 - (v) an intersection leg is sloped at 2% or greater.
- (c) Sight triangle calculations shall be in accordance with the recommended methods of the Roads and Transportation Association of Canada regarding crossing sight distances for roadways.

3(5) Driveways

- (a) At street intersections, driveways shall be setback from the parcel boundaries which form the intersection not less than

SCHEDULE B

- (i) 6 m (19.69 ft.) where the driveway serves not more than four dwelling units, or
 - (ii) 15 m (49.21 ft.) for all other uses, except where existing or planned traffic volumes indicate that a greater distance is required to improve or maintain traffic safety and efficiency.
- (b) The maximum width of a driveway shall be 10 m (32.28 ft.).
- (c) The minimum distance between driveways shall be:
- (i) nil, where the driveways serve single dwelling units,
 - (ii) 6 m (19.69 ft.), where the driveways serve any other use, except where existing or planned traffic volumes indicate that a greater distance is required to improve or maintain traffic safety and efficiency.
- (d) The minimum angle for a driveway to a use which generates high traffic volumes shall be 70 degrees.

4. Non-conforming Buildings and Uses

- (a) A non-conforming use of land or a building may be continued but if that use is discontinued for a period of 6 consecutive months or more, any future use of the land or building must conform with the Land Use By-law then in effect.
- (b) A non-conforming use of part of a building may be extended throughout the building but the building, whether or not it is a non-conforming building, may not be enlarged or added to and no structural alterations may be made to it or in it.
- (c) A non-conforming use of part of a lot may not be extended or transferred in whole or in part to any other part of the lot and no additional buildings may be constructed on the lot while the non-conforming use continues.
- (d) A non-conforming building may continue to be used but the building may not be enlarged, added to, rebuilt or structurally altered except.
- (i) to make it a conforming building.
 - (ii) for routine maintenance of the building, if the Development Officer/Municipal Planning Commission considers it necessary, or
 - (iii) in accordance with the provisions of section 2.3(6)
- (e) If a non-conforming building is damaged or destroyed to the extent of more than 75% of the value of the building above its foundation, the building may not be repaired or rebuilt except in accordance with this Land Use By-law.
- (f) The land use or the use of a building is not affected by a change of ownership or tenancy of the land or building.

[By-law 508]

5. Signs

5(1) General Provisions

- (a) A sign shall not conflict with the general character of the surrounding streetscape or the architecture of nearby buildings or serve to create a cluttered street appearance.
- (b) No sign shall project higher than the roof-line of the building to which it is attached.
- (c) A sign shall not project closer than 0.75 m (2.46 ft.) to the existing or future curb line.
- (d) Where a sign projects over a street or other public property, a minimum clearance of 2.5 m (8.20 ft.) above grade level shall be maintained.
- (e) Notwithstanding subsection (d), where a sign is located in or projects into or over a driveway or other area of vehicle movement, a minimum clearance of 4.6 m (15.09 ft.) above grade level shall be maintained.
- (f) A sign shall not obstruct the view of or be liable to be confused with an official traffic sign, signal or device or otherwise pose a potential hazard to traffic.
- (g) A sign shall not display lights which may be mistaken for the flashing lights customarily associated with danger or those used by police, fire, ambulance or other emergency vehicles.
- (h) Signs shall not project more than 1 m (3.28 ft.) over a street or public property.
- (i) Only one sign may project from each street frontage of a building.

5(2) Freestanding Signs and Billboards

- (a) Freestanding signs and billboards may be permitted in all land use districts, excepting residential land use districts where freestanding signs are provided for under the following special provisions:
 - (j) one freestanding sign not exceeding 5.57m² (60.0 sq. ft) may be allowed identify the name of an apartment, multi-family complex, manufactured home park or a sub-division;
 - (ii) the sign may not exceed 2.44 meters (8 ft) in height; and
 - (iii) the sign does not contain any advertising other than the name or logo of the company which developed or manages the site;
- (b) Unless otherwise stated in this Bylaw, a freestanding sign or billboard shall be no higher, as measured from ground level to the highest point, than 9.14 meters (30 ft);
- (c) Unless otherwise stated in this Bylaw, a freestanding sign or billboard shall be no larger than 7.43 m² (80 sq. ft);
- (d) Any electrical power running to a freestanding sign shall be underground;

SCHEDULE B

- (e) Only one freestanding sign or billboard may be erected on each of a parcel's boundaries with a street;
- (f) Quality, aesthetic character and finishing of sign construction shall be at the discretions of the Development Officer/Municipal Planning Commission;
- (g) A freestanding sign or billboard may only advertise the business or businesses operating on the parcel upon which the sign is placed, excepting instances whereby advertising by a community group has been approved at the discretion of the Municipal Planning Commission;

5(3) Other Signs

The Municipal Planning Commission may approve other signs subject to the general provisions of subsection 5(1).

5(4) Sign Removal

Where a sign no longer fulfils its function under the terms of the approved development permit, the Municipal Planning Commission may recommend that the Council resolve or order the removal of such a sign, and the lawful owner of the sign or where applicable, the registered property owner, shall, upon such a resolution,

- (i) remove such a sign and all related structural components within 30 days from the date of receipt of such a removal notice, and
- (ii) restore the immediate area around the sign to the satisfaction of the Municipal Planning Commission, and
- (iii) bear all the costs related to such removal and restoration.

6. Miscellaneous

6(1) Deleted

[By-law 508]

6(2) Home Occupations

Home occupations shall comply with the following:

- (a) A home occupation shall not include any use or operation which detracts from the amenities of a residential neighbourhood, by way of creating dangerous or objectionable conditions;
- (b) a home occupation shall be incidental and subordinate to both the residential use and the accessory residential building;
- (c) there shall be no exterior display or advertising;
- (d) there shall be no outside storage of materials, commodities or finished products;
- (e) no commodity other than the product or service of the home occupation shall be sold on the premises;
- (f) no person other than a resident of the dwelling shall be employed.

SCHEDULE B

6(3) Dangerous Goods

Prior to making any decision on a development application which involves dangerous goods or development on adjacent land or in close proximity to any dangerous goods, the Development Officer/Municipal Planning Commission shall refer the development proposal to the appropriate regulatory authority for comments. *[By-law 508]*

6(4) Mechanized Excavation Stripping and Grading of Land

- (a) A temporary fence shall be erected around all excavations which in the opinion of the Development Officer/Municipal Planning Commission may be hazardous to the public.
- (b) Where finished ground elevations are established, all grading shall comply therewith.
- (c) All parcels shall be graded to ensure that storm water is directed to a road without crossing adjacent land, except as permitted by the Municipal Planning Commission.
- (d) All topsoil shall be retained on the parcel, except where it must be removed for building purposes.

6(5) Landscaping, Environmental Conservation and Development

Unless otherwise specified in Schedule C, the following standard of landscaping shall be required for all areas of a parcel not covered by buildings, driveways, storage and display areas:

- (a) the conservation of existing trees and shrubs to the maximum extent possible;
- (b) the retention, in their natural state, of
 - (i) swamps, gullies and natural drainage courses,
 - (ii) unstable land,
 - (iii) land subject to flooding by a 1:100 year flood,
 - (iv) land with a natural gradient of 15% or greater, and
 - (v) a strip of land not less than 6 m (19.68 ft.) wide along any lake, creek, or stream with such distance to be measured from the top of the bank.
- (c) the appropriate screening of outside storage areas, parking facilities and loading areas from adjacent buildings and roads;
- (d) the planting of additional trees and shrubs as required by the Development Officer.
- (e) a sufficient depth of topsoil to facilitate growth in the soft-landscaped areas, with areas not planted to trees and shrubs being seeded to grass, sodded or left with its natural grass cover; and
- (f) completion of the landscaping by the end of the first full growing season following completion of construction or the commencement of the use.

6(6) Development in Proximity to Oil and Gas Wells

In accordance with the *Subdivision and Development Regulation*, no building shall be

SCHEDULE B

constructed within 100 m (328.1 ft) of the well head of a gas or oil well, unless, in the opinion of the Development Officer/Municipal Planning Commission, it may be considered an infill development or is otherwise approved in writing by the Alberta Energy and Utilities Board.

[By-law 508]

6(7) Development Setbacks from Landfills and Waste Sites

[By-law 508]

In accordance with the *Subdivision and Development Regulation*,

- (a) a school, hospital, food establishment or residence must not be approved and a residence must be constructed if the building site is within the distances from a sanitary landfill, modified sanitary landfill, hazardous waste management facility, dry waste site, waste processing site, waste storage site, waste sorting station or waste transfer station specified in the *Subdivision and Development Regulation*, and
- (b) a sanitary landfill, modified sanitary landfill, dry waste site, hazardous waste management facility, waste processing site, waste storage site, waste sorting station or waste transfer station must not be approved within the distances from the property boundary of a school, hospital, food establishment or residence specified in the *Subdivision and Development Regulation*,

unless the development is approved in writing by the Deputy Minister of the Department of Environmental Protection.

6(8) Land Use Policies

Every action undertaken by the municipality and the Development Officer/Municipal Planning Commission must be consistent with any land use policies established pursuant to the *Municipal Government Act*.

7. Guidelines for Other Land Uses

All uses which are not covered by specific regulations in Schedule C shall, in accordance with the following guidelines, be

- (i) separated from adjacent uses by such a distance as to ensure that there will be no adverse impact upon or by those adjacent uses,
- (ii) at a density which is consistent with that prevailing in the area, unless otherwise provided for in a statutory plan,
- (iii) setback from any parcel boundary abutting a road a sufficient distance to ensure that the development will not be visually intrusive, having regard to any possible changes in surrounding uses,
- (iv) of a height which will be consistent with that prevailing in the area,
- (v) developed in such a manner that there will be no adverse impact upon or by traffic on adjacent roads, and
- (vi) developed in conformance with the Red Deer Regional Plan and any applicable statutory plan policies.
